

The Greenburgh Health Center accepts employment applications/resumes on an ongoing basis and retains such applications/resumes, for current and future positions for one year. If you are interested in employment at the Health Center, we encourage you to submit an application with your resume attached for consideration, to the Human Resource Department. As stated previously, all applications and resumes are kept on file for one year so that when positions become available the Department Supervisor is able to review and select from the available pool of applicants.

Although an application on file is not a guarantee of employment, it is a first step in that direction. Those selected for consideration must provide a current physical including a PPD.

We hire in the following categories:
