

GHC offers blood drawing services on site. Testing is performed at outside laboratories including our fully operational laboratory located at the Mount Vernon Neighborhood Health Center, Inc. (MVNHC). MVNHC utilizes state of the art technology and cutting edge methodologies to quickly generate reliable findings that lead to accurate diagnosis. Appointments are **not** required for most tests, however, it is recommended that tests that require fasting be completed in the morning. Please notify the lab personnel of the need for special considerations.

ON SITE TESTING:

- Urinalysis
- Rapid HIV
- Pregnancy Test (urine)
- Glucose
- Fecal Occult Blood

Lab Hours:

Monday - Friday 9:00 AM - 4 PM

Exception:

*First Thursday of the month: 11:30 AM-4:00 PM

*First Friday of the month: 10:00 AM-4:00 PM
